This iconic Perth commercial property on St George's Terrace offers a central location, first class amenities and one of Perth CBD's most comprehensive training venues. These serviced offices with virtual address options offer flexible terms and packages, ideal for small and growing businesses and individuals looking for an address in the heart of Perth's central business district.

Guests will be impressed by the conservatory inspired lobby as they are greeted by the dedicated receptionist, also available to manage your calls. Make use of the contemporary conference facilities and meeting rooms with access to a professional IT and Support team to assist with technical requirements. The on-site concierge is also available to assist with hotel, transport and entertainment bookings.

140 St Georges Terrace provides a premier Perth city address offering 24 hour building access, high speed broadband and access to low cost international calls through a global VOIP network. WiFi throughout the building, including the resident café and designated breakout spaces, also ensure the ultimate convenience for you and your growing business.

## **About the office Location**

AMP Tower is an A-Grade building boasting spectacular views across Perth city and the Swan River. This architecturally designed building is located in the centre of Perth's Legal and Financial Districts, the area is surrounded by Perth's best cafes and coffeehouses, most popular bars and restaurants, and a hub of entertainment and high end shopping options.

This furnished serviced office space provides state of the art end of trip facilities including bike racks, lockers, showers and towel service, and complimentary on site lunch time fitness classes throughout the week. The collaborative and open plan space also offers some of the most flexible rental terms for office rentals in Perth.

These ideally located serviced offices in Perth CBD offer an underground car park and easy transport connections to make your commute a breeze. The centre is located within walking distance of Perth's landmark attractions including Kings Park and Botanic Gardens, the Perth Cultural Centre and the Western Australian Museum, with immediate access to the stunning gardens of Central Park, ensuring the perfect location to cater to your best possible work/life balance.
